Are you an organisation in the care sector looking for expert guidance and support in navigating the complexities of Care Quality Commission (CQC) compliance?

Look no further! Shailo Domiciliary Care is proud to introduce our very own consultancy services, led by Benhilda to assist you with troubleshooting CQC challenges and facilitating seamless CQC registrations. With Benhilda's extensive experience and deep understanding of CQC regulations, we are uniquely positioned to provide tailored solutions to meet your specific needs.

Our consultancy services are designed to support you throughout the process, ensuring that your organisation meets the necessary standards and operates with excellence.

Care Quality Commission (CQC) Compliance

Consultancy Services Offered:

Troubleshooting CQC Challenges

If your organisation is encountering difficulties in meeting CQC standards or has faced enforcement actions, our consultancy services offer a comprehensive analysis of your practices.

We will work closely with you to identify areas for improvement and implement effective strategies, enabling you to overcome challenges and achieve compliance.

CQC Registration Assistance

Planning to start a new care service or expand your existing one?

Our consultancy services can guide you through the CQC registration process smoothly.

We will provide valuable insights, assist with documentation preparation, and offer guidance on meeting the requirements for a successful registration outcome.

Registered With:

Unlock the full potential of your organisation and thrive in delivering exceptional care while meeting all CQC requirements.

To learn more or schedule a consultation, please visit our website at www.shailohealthcare.co.uk or contact Benhilda directly at 07532 727 607. We are here to empower your organisation's success and ensure your compliance with CQC regulations
